

Garden City South/West Hempstead Little League Fall League

The 2023 Fall Season Registration is open.

If your Little League does not run a Fall season, then you are welcome to join. We start the third week of August and play into the middle of October. Games are during the week and Saturdays.

Please visit our Website at www.gcs-fsaa.com for more information and to find the link to Register Your Player.

Player registration will be held **ONLINE**.

Last day to register is July29.

Sandlot Softball is for girls AA (7–8-year-old), AAA/Majors (9–12-year-old)

Sandlot is a great way to keep the girls active and work on strengthening their skills and knowledge of the game in the off season. It is also a great way for us to bring in girls that have not played in the past but are interested in trying it out. Each week we will break the girls up into drill stations with coaches and trainers, based on age and ability, we will also have scrimmage games, with on field coaching, to help with fundamentals and situational play.

The Garden City South/West Hempstead Little League is open to all children.

Girls must be 4 by December 31, 2022, and

Boys must be 4 by August 31, 2023.

No one is turned away!

Any questions please send e-mail to: moejoe312@verizon.net
